### MEMORANDUM

TO: Files  
FROM: Mike Deneen  
SUBJECT: U-a/U-b Tract Inspection--Hydrology

December 14, 1982

Personnel Present: Mike Deneen OSO

#### Environmental Activities:

The alluvial water supply wells are in place. A significant amount of disturbance has occurred to the riparian vegetation in this area. There should not be any additional surface disturbance here. The pipeline which will carry the water from the alluvial plain to the truck port is under construction.
